AI BINGO

Write prompts to create images and complete these challenges!

Generate an image of a famous global landmark in the artistic style of a well-known painter	Create a photorealistic image of what your ideal futuristic classroom might look like.	Generate an image of a common household object made from an unexpected material.	Generate an image that literally interprets a common idiom (e.g., "raining cats and dogs")	Take an object found in your school bag (e.g. a calculator) and generate an image of it as an ancient artifact.
Create an image personifying a weather phenomenon (e.g., a mischievous huricanne)	Generate an image showing the world from the perspective of a tiny insect	Create an image of a common fruit or vegetable sliced open to reveal a surprising and fantastical interior	Create a "movie poster" for a film based on a day in your life, but exaggerate it into an epic adventure or comedy.	Generate an image depicting a "what if" historical scenario, such as "What if dinosaurs had survived and now live in modern cities?"
Design a unique mascot for a fictional sports team	Generate a photo realistic image of an animal that doesn't exist	**FREE SPACE!**	Create an image of two historical figures that never met	Create an image that communicates the slogan "Don't let AI take YOUR voice"
Create an AI-generated piece of art that shows optimism.	Create an image of a landscape that could only exist in a fantasy world	Design an album cover for a fictional band with a unique name and genre	Generate an image of a famous historical landmark made using only lollies	Create an image of a comic book hero with an unusual superpower
Generate an image of a city where all the buildings are made from giant, colourful building blocks or LEGO pieces.	Create an image of a common musical instrument (like a guitar) that appears to be alive	Design a unique mode of transportation that is clearly inspired by an insect	Generate an image showing a hidden, miniature world thriving in an unexpected part of a school	Generate an image of a scene from your favourite book or movie, but set in a completely different time period or genre
